FOR IMMEDIATE RELEASE

Ron Jaworski Golf Announce Honey Run Golf Club's Major Tee Improvements

Honey Run Golf Club underwent a major renovation this past winter, in order to improve playability and conditions for all golfers. "We are beyond excited to open our new and resurfaced tees for play, starting on May 31st, 2020." Ken Kochenour.

"We are excited for Honey Run to be continually pushing for playability for golfers of all levels and swing speeds. The new tees will allow our golfers to play the course from 4,500 yards to almost 7,000 yards!" Ron Jaworski.

Honey Run is also removing the traditional labels placed on tees in order to offer exciting new tee offerings. The tees will be labeled I-V and will not have a specific color associated with them. The I tee will be the longest distance and the V tee will be the shortest.

Recommended tees based on your average driving distance:

- I - 280 Yards or more
- II - 250- 275 Yards
- III - 225 - 250 Yards
- IV - 180 - 225 Yards
- V - 175 Yards or Less

Honey Run Golf Club and Ron Jaworski Golf pride themselves on being a leader in the Golf Industry. The new tees at Honey Run are a premier example. Depending on the set of tees you choose to play, Honey Run will be both the longest and shortest golf course in York County. Add that to our always excellent conditions and hospitality that cannot be beat, and it is a formula for a great experience for every single golfer that comes through our doors. We cannot wait to have you out at the club and for you to see all of this for yourself!
